

Facial and Body treatments :

Balneo-Esthetic Treatment: 90 minutes of pure delight including a facial and body hydrating treatment, a tonic shower and a hydro-massage.

Dead Sea mud treatment: Starting with an exfoliation and followed by a hydrating massage this treatment uses Dead Sea mud renowned for its healing and revitalizing properties to soothe and rejuvenate your skin and spirit.

Silk treatment: This luxurious body treatment enchants more than merely your body skin. Silk Therapy is an ideal lightweight replenishing body treatment to protect and maintain your skin in optimum condition. Discover the beauty of silky-soft and relaxed body skin, with an unsurpassed subtle, fascinating shimmer.

Seaweed treatment: Experience the ocean's healing and purifying powers. Seaweed is nature's most complete source of nutrition, which can stimulate a sluggish metabolism while detoxifying and reducing cellulites. For all skin types; helps lock moisture into the skin, rich in antioxidants, vitamins, minerals, and amino acids. This treatment is extremely hydrating and nourishing.

Green tea treatment: Green tea's anti-oxidative properties applied to your body, immediately enriches moisture in the upper layers of the cells, making the skin feel softer, smoother, and tighter.

Ginger treatment: Harnesses the warming and soothing properties of ginger to ease sore and aching muscles. This treatment will invigorate your senses and increase circulation leaving you feeling refreshed and re-energized.

Coffee treatment: Coffee grounds are full of antioxidants that protect your body from the free radicals that damage cells. The caffeine in coffee grounds constricts blood vessels, temporarily causing skin to appear tighter, firmer and smoother. This deeply moisturizing, anti-toxin treatment smoothes and firms the skin, leaving it evenly textured and radiant.

Chocolate treatment: Chocolate is known to have wonderful anti-oxidant properties. It moisturizes and softens the skin. Its sweet and mind-blowing scent will leave you feeling both happy and full of life.

Wine treatment: Wine grapes contain natural antioxidants that exfoliate, detoxify, calm inflammation, and soften and repair damaged skin. This gentle treatment helps to moisturize the skin while strengthening its immune defenses. A real soothing experience!

Turkish Exfoliation: Starting with a steam bath, this treatment is followed by a body scrub ending with a hydrating massage to leave your skin feeling velvety soft.

All our treatments consist of body peeling, moisturizing massage and a shower; all lasting 90 minutes except the Balneo-Esthetic and Turkish Exfoliation.
